

PRACTICAL SESSIONS

Practical Session

IWoDA'16 offers one Practical Session, which will take place on **Thursday, September 29th, 2016**.

Prof. DOUGLAS BIBER

"Introduction to multi-dimensional analysis"

- This Practical Session is designed to address the nuts and bolts of Multi-Dimensional (MD) analysis at a deep level.
- Prof. Biber will guide attendees to work through the information sheets provided in order to apply MD analysis.

Further details are available at the workshop website under "Practical Sessions".
